

The U.S. Department of State and the U.S. Embassy in Cairo are closely monitoring the situation in Egypt. Multiple task forces are in operation around the clock to respond to constituent requests for assistance.

The U.S. Department of State office in Egypt is actively working to identify and evacuate American Citizens and their immediate families from Egypt. US citizens in Egypt are urged to check with the nearest embassy for instructions.

On February 1, the Department of State ordered the departure of all non-emergency U.S. Government personnel and their families from Egypt. The Department of State will continue to facilitate the evacuation of U.S. citizens who require assistance. Cairo airport is open and operating, but flights may be disrupted and transport to the airport may be disrupted due to the protests. U.S. citizens in Egypt who require assistance, or those who are concerned that their U.S. citizen loved one in Egypt may require assistance, should contact the U.S. Department of State and the U.S. Embassy in Cairo at: EgyptEmergencyUSC@state.gov, or at 1-202-501-4444.

If you are concerned about friends or family in Egypt please contact Rep. Holt's district office at 609-750-9365 or 877-874-4658 for assistance.

The latest evacuation information, provided by the U.S. State Department, can be found [here](#). The State Department also extends this message:

We understand that there have been disruptions in communications in Egypt, including the interruption of internet and mobile telephone service. However, we encourage you to continue efforts to be in contact with your loved ones using SMS texting and other social media (e.g., Facebook, My Space, Twitter, etc). You may also try to contact loved ones via landline telephone, as that means of communication has not been affected by communication disruptions (though call volume may make it difficult to get through).

Families concerned about American Citizens and Legal Permanent Residents in Egypt are encouraged to enroll their loved ones in the Department of State's [Smart Traveler Enrollment](#)

Program (STEP).
